MEMORANDUM FOR: Deputy Director for Support

SUBJECT : GSI Cafeteria - Personnel

1. This memorandum is for information only.
2. As you requested, I talked again to [] about the shortage of personnel in our cafeteria. He is fully aware of our shortage which is only slightly greater than the shortage at other GSI cafeterias. As you know, GSI employees are unionized and operate under a contract. Therefore, additional incentive pay cannot be offered unilaterally, nor can it be offered for one cafeteria. Employees do not like to work outside of the District of Columbia, especially newly hired people.
3. GSI has increased its personnel recruitment advertising budget by about \$12,000 per period (4 weeks). This may help.
4. Unrelated to the above, but interesting, is a recent survey of comparative food costs which is attached.

Special Assistant to the
Deputy Director for Support
